

ASA Veterans Sailing Education Program

At ASA we recognize the sacrifices made by the men and women who have served or are serving in our country's armed forces. As a token of our appreciation, and our way of saying thank you, we are inviting veterans and active military personnel to share our passion for sailing by offering a discount on our ASA 101 Basic Keelboat Sailing Course at participating ASA affiliated sailing schools. Trade in your ship for ours and join us on the water with the wind in your sails. ASA's nationwide network of affiliated schools allows us to offer this program across the nation to say thank you for your service and show our appreciation to veterans and active military personnel.

ASA Veterans Sailing Education Program Details

- ASA 101 Basic Keelboat Sailing is the first step on your sailing journey. This course teaches the fundamentals of sailing and boat handling, safety, the rules of the road, and the required skills to safely take the helm or crew a sailboat.
- In order to make sailing as accessible as possible to everyone, participating schools may use a catamaran or other sailboat to accommodate disabled or physically challenged students needing a more stable platform.
- The program runs from Veterans Day 2018 through Veterans Day 2019.

Veterans & Active Duty Personnel Save 10% Off ASA 101 Basic Keelboat Sailing Course

Participating ASA schools are offering a minimum of \$50.00 or 10% off their ASA 101 Basic Keelboat Sailing course. Many schools have even more generous offerings for veterans and active military, so be sure to check details with the individual school.

Great app for young & old to learn the mechanics of sailing.
